Directions

For directions, point the camera of your phone at the image below or type <https://tiny.cc/PinnacleDirections> into a web browser.

What to Bring

Please bring a driver's license or other valid identification card, your dental insurance card (if you have insurance), this referral card, and the new patient forms that can be found on our website www.pinnacle-epi.com under Patient Forms.

What to Expect

Your care and comfort is our top priority! Our goal is an experience that is as pain-free as possible. We offer different sedation options to make you feel at ease during your procedure.

Insurance and Payment

We accept all insurances and are in-network with all PPOs. It is our policy to have treatment paid in full when service is rendered. We accept all major credit cards, cash, or personal checks. We also participate in Care Credit financing.

About Dr. Marangely Ruiz Medina Endodontist

Dr. Marangely Ruiz Medina, D.M.D., M.Sc. brings the latest advancements in endodontic therapy to our practice. Combined with her gentle care and positive spirit, she welcomes all of our patients and their endodontic needs. Dr. Ruiz Medina completed her endodontic residency at New York University and looks forward to serving the endodontic needs of our patients.

She completed her Neuroscience Bachelor's Degree(B.S) at the University of Michigan, Ann Arbor. Subsequently, she obtained her Masters in Medical Sciences(M.Sc) at Mississippi College. Afterwards, she completed her doctorate at the University of Puerto Rico School of Dental Medicine (D.M.D) where she graduated Magna Cum Laude. Her passion to become an endodontist drove her to complete one year residency in an Advanced Education in General Dentistry(AEGD) program at the University of Detroit Mercy School of Dentistry followed by completion of her residency in endodontics at the NYU Langone program. Dr. Ruiz Medina was born and raised in Puerto Rico. She is trilingual but dominates English and Spanish languages. Therefore, she can fully engage with patients who speak either language.

Dr. Ruiz Medina is highly trained in all the latest technology to perform root canal treatment comfortably and efficiently. Endodontic therapy completed by Dr. Ruiz Medina utilizes a surgical microscope, with added guidance of 3D imaging provided by advanced CBCT (Cone Beam Computed Tomography). During her interaction with patients, she believes that in addition to delivering excellent quality of care, laughter is truly one of the best medicines and she makes every effort to make her patients comfortable during treatment. She is currently a member of the American Dental Association, Florida Dental Association, local dental associations, and the American Association of Endodontics.
